## Mass Meeting Tonight To Plan Gopher Drive

Tonight citizens of Glendale will gather in the council chambers of the city hall to discuss a drive against gophers which are doing thousands of dollars worth of damage to shrubs and lawns. The meeting is called for 7:45 o'clock, and every householder who wants to learn the best means of exterminating these pests are urged to attend.

City Forrester F. A. Marek is prepared to tell the people what to do and a general discussion of the subject may lead to some definite action whereby the gophers will be driven from the city.

It is estimated that property owners and householders alike spend \$10 or more yearly here in fighting the pest which destroys valuable shrubs and fills the lawns with holes. Civic interest should bring out a record throng.

## Doll Shower Held At Morehouse Residence

One of the most unique affairs of the season took place Saturday afternoon at the home of Miss Bernice Morehouse of 1000 East Lomita avenue, when Miss Morehouse and her sister, Mrs. Glenn Widmark, entertained a number of ladies of the First Church of the Nazarene, Los Angeles.

Primarily the occasion was in the form of a doll shower, the guests responding with a total of twenty-three dolls. These little "make-believes" were collected for the purpose of sending them to the native girls in the Mission school at Kishanganj, India, as Christmas presents. Every year these good ladies send large quantities of toys and clothing to the unfortunate children of India, collecting it throughout the year and shipping it all together at the end of each twelve-month.

Most of the afternoon was spent in making workbags for the girls of the Mission school in Buldana, India. About two dozen of these useful gifts were completed by the ladies, and prepared for shipping to the heathen country.

During the afternoon the ladies were entertained by beautifully rendered vocal solos by Mrs. E. B. Moore of Glendale and Mrs. J. C. Ennor of Hollywood. Following this short musical program a course of delicious refreshments was served by the able hostesses.

## Today's World News In Brief (By United Press to Glendale Evening News)

SEEK TO FIND BODY OF BOY DROWNED WHILE BATHING  
SAN DIEGO, May 2.—Coronado Beach was being patrolled today in an effort to recover the body of Lyle Crow, ten, who was drowned there yesterday. Leland Stanford Simpson, twenty-eight, garage employe, died from heart failure while trying to save Crow. He had already brought in two other boys who were beyond their depth.

LABOR SECRETARY TO ATTEMPT TO END MARINE STRIKE  
WASHINGTON, May 2.—Secretary of Labor Davis was expected to make an attempt late today or tomorrow to settle the strike of marine engineers and seamen which went into effect at midnight last night. Davis said he was familiarizing himself with the wage scales of the seamen and engineers for the pre-war, war and present periods, but he refused to discuss the situation further than that.

'DEAD' MAN REVIVES AS UNDERTAKER'S WAGON COMES  
STOCKTON, May 2.—Andrew Eiroda lay as one dead beside the road near Holt with his throat cut. He looked dead, too, and passers-by thought he was dead. In fact they telephoned the coroner's office that he was dead. But when an undertaker's dead wagon drove up, the dead man arose from the welter of gore and fled down the road. He was finally caught and taken to a hospital. Eiroda claims a friend used a razor on him, but authorities believe he tried suicide.

SHIPPING STRIKE HAS LITTLE EFFECT ON N. Y. MARKET  
NEW YORK, May 2.—Foreign news tended to steady the stock market at the opening here today. The shipping strike appeared to have little effect on traders. Steel common was unchanged at the opening at 83 3-8 but independents were fractionally lower. Mexican Petroleum was up 1/4 at 148. Studebaker, which had led the motors in past weeks, was off 5-8 at 89, traders construing the company's statement as bearish. Other motors were higher, Pierce Arrow opening 3/4 up at 40 1/2. Kelly Springfield continued to lead tire shares, opening 7/8 up at 51 1/2.

SUPREME COUNCIL AGREES ON TERMS TO GERMANY  
LONDON, May 2.—The allied supreme council has agreed in principle on the terms of an ultimatum to be submitted to Germany, it was learned authoritatively today at the conclusion of the morning session. Military preparations for invasion of the Ruhr valley will proceed in the meantime so there will be no delay in case Germany rejects the ultimatum. The ultimatum will include preparations for guaranteeing payment of the German indemnity and penalties for their non-observance. The allied representatives took only a brief recess, another session being called for 5 p. m., when it was believed the note would be completed. It was learned authoritatively that Premier Briand agreed to an ultimatum to expire not later than May 12.

ATTEMPT WILL BE MADE TO EXTEND STRIKE OF SEAMEN  
NEW YORK, May 2.—Extension of the seamen's strike to include all harbor workers in the country will be attempted tonight. Officials of the International Seamen's Union who called a general strike yesterday afternoon to fight a 15 per cent wage reduction will ask towing concern employes and affiliated unions to walk out in sympathy, in an effort to insure complete paralysis of American shipping. Andrew Furuseth, president of the seamen's union, was reported to be enroute here from Washington to preside at the conference which will determine the question of a sympathetic strike. At union headquarters it was said that no effort would be made to call out the longshoremen as they will be automatically thrown out of employment by the seamen's strike. Union officials here estimated that 10,000 seamen in this port had walked out shortly before noon and declared that before nightfall between 25,000 and 30,000 would be out. They said that 60,000 were affected on the Atlantic coast and that the total expected to strike on all coasts was 175,000. Winthrop Marvin, president of the American Steamship Owners' association said that no estimate of the number of men on strike or ships idle could be made short of two or three days. He declared, however, that the union's estimate of its membership was "exaggerated," because thousands of seamen thrown out of work by the slump in shipping had obtained permanent employment in other industries. Marvin's estimate of the total American merchant tonnage was 13,000,000, of which 7,800,000 is owned by the government and 5,200,000 by private interests.

SENATOR NEWBERRY'S SENTENCE AND FINE SET ASIDE  
WASHINGTON, May 2.—Senator Truman H. Newberry's sentence to two years' imprisonment and his fine of \$10,000 on the charge of illegal use of money to defeat Henry Ford in the Michigan senatorial election of 1918 were set aside by the United States supreme court today. The court held unconstitutional a section of the federal corrupt practices act under which Newberry and sixteen associates were convicted by a federal district court of Michigan. The prison sentences and fines imposed on the friends of the senator were also set aside. Justice McReynolds read the majority decision. The senator under the decision is left free to serve out his term, the senate committee investigating the Ford-Newberry election having determined that there was no fraud in the count of the votes. Newberry and his associates were convicted under the federal law which provides that not more than \$10,000 shall be spent in any one senatorial campaign. It was charged that the senator and his campaign managers spent at least \$100,000 to win the election. Aggregate deposits of the Newberry campaign committee were claimed to be \$178,857.20. Originally 134 persons were indicted, but only seventeen were convicted. Bribery of voters, as well as large expenditures for publicity, banquets, entertainments, speakers and detectives were charged against Newberry. As part of the defense it was claimed that Newberry did not expend a dollar to win the election. It was claimed that the purpose of the statute was not to prevent others from contributing to campaigns but merely to prevent the candidate from expending more than \$10,000. Newberry supporters admitted they organized and financed the primary campaign of James W. Helme against Ford for the Democratic nomination.

## EDWARD AYERS, AGE 83, PIONEER HERE, PASSES AWAY

VOTED FOR ABE LINCOLN AND  
WAS LIFELONG MEMBER OF  
REPUBLICAN PARTY

In the passing of Edward Ayers, aged eighty-three, at his home here, 215 East Palmer avenue, Friday afternoon, another pioneer of San Fernando valley has gone over the Great Divide. He leaves a widow, one daughter and a son. Funeral services will be held under the auspices of the Masons and Odd Fellows at 3 o'clock Tuesday afternoon at the L. G. Seavern chapel. Interment will be in Grand View Memorial Park.

Mr. Ayers was born August 19, 1837, at Danville, Hendricks county, Ind. At the age of thirteen he learned the shoemakers' trade at Indianapolis and in 1857 he left that place for New York where he embarked for Panama, crossed the isthmus by rail and took the steamer John L. Stevens to San Francisco where he landed in 1859.

Follows Gold and Silver Boom  
From San Francisco he followed the gold and silver booms to Yreka, Calif., Lewiston, Idaho, and The Dalles, Ore. He returned to San Francisco in 1872. In 1881 he married Mrs. Mary (Maetney) Heintz, a native of New York City. Two children were born to this union, Mrs. Lena Melrose, the first native daughter of Tropico, and Edward E. Ayers, who is now engaged in the motion picture business in Los Angeles after having traveled much of the world in the interests of the National Cash Register company.

Mr. Ayers, following his trade of shoemaker, came to Los Angeles in 1883 and settled on a fruit ranch in the Tropico foothills. It was the second piece of improved property to be sold in this vicinity. While his wife conducted the ranch, which soon was subdivided, Mr. Ayers followed his trade with a shop of his own at First and Hill streets in Los Angeles until five years ago.

Large Collection of Curios  
Although confined to his bed since last November he took great interest in putting an invaluable collection of minerals into such shape as to record his fifty-one years of traveling about the United States. There also are curios from Alaska and Africa among the specimen of quartz and other gold and silver bearing rock that comprise the majority of the display.

Mr. Ayers was a lifelong Republican and cast a vote for Abraham Lincoln. He was very active in the Masonic and Odd Fellows orders and took a great delight in keeping his shop in the city long after years when others would have retired. The Ayers tract in Tropico, which was subdivided and sold by Mrs. Ayers, has done much in the upbuilding of

## 'Lying Lips' Is Palace Grand Feature Tonight

History repeats itself!

It is only natural for the Thomas H. Ince who has given to the screen "Civilization," "The Flame of the Yukon," "Hell's Hinges," "Behind the Door," and a score of other cinema epics, to continue his dynamic energy and original and powerful creative ability.

The clever producer has "gone and done it again," the latest bulls-eye being registered by "Lying Lips," his second special for the Associated Producers, which is at the Palace Grand Theatre again today.

House Peters, in the co-starred leading role of Blair Cornwall, a young Canadian ranchman, gives one of the most brilliant characterizations of his career, a career plentifully punctuated with star roles and triumphant successes. Peters is sincere at all times, equally convincing as the uncouth Canadian and the sophisticated Londoner, and rises to truly impressive dramatic heights.

Florence Vidor, who is firmly established as one of the most beautiful women before the public, demonstrates that she can do considerably more than look beautiful and, in the role of Nance Abbott, a scion of British aristocracy, shares equal honors in the dramatic moments of "Lying Lips."

The story itself, adapted to the screen by Bradley King, from a novel by May Edington, contains to a marked degree that which so many pictures lack—screen value. The tale of a man's struggle to break through the thick shell of convention and custom which is restraining the woman whom he loves, and who loves him, every scene and situation of "Lying Lips," is written for the camera, ideally fitted to the requirements of the silent drama.

Bobby Vernon in "Short and Snappy" is the comedy on the bill. The orchestral overture is from "William Tell." Tomorrow's feature is "The Furnace."

WANTED—Furniture repair man at once; must be good workman. Heal & King, 246 North Brand. Glendale 847.

## Blackmail Plot Cause Of Murder, Is Belief

CHICAGO, May 2.—Discovery of a blackmail plot by Dr. Thomas J. Rowland was the cause of his murder here in his home early today, according to Detective Sergeant Edward Weber.

Police rushed to the Rowland apartment when cries of Mrs. Rowland were heard. Dr. Rowland was found fully dressed, on the floor with a bullet in his chest. His wife had barricaded herself in her room.

Police who broke down the door found her hysterical. The doctor was taken to a hospital where he died. Before death he issued a statement accusing his wife of the murder.

Mrs. Rowland was taken to jail. Detective Weber went to Dr. Rowland's room in the Masonic Temple, where he broke the doctor's desk. In it he found a receipt for \$100 from the Soul Detective Agency.

Edward Early, assistant manager of the agency, said Dr. Rowland had Mrs. Rowland shadowed since March 1, 1921.

"Dr. Rowland told me he had improper relations with a young girl in the apartment building," said Early.

In Solomon's time the cost of an Egyptian chariot was about \$300.

### Fear Is Transient

"Repentance is not fear. Repentance is permanent, lasting; fear is transient; is gone when the cause is removed or absent.

"Repentance is not feeling; for feeling does not save. Repentance and its fruit is the living of a life.

"Sorrow is not repentance; you can cry and not repent; but a godly sorrow worketh repentance.

"Repentance is not simply good resolutions; a promise to do or be better.

"What repentance is, is to feel that I am a sinner and need a savior. I must be sorry for my sins and be willing to quit them; I must meet God's conditions.

"Do your part and God will do His. And you will know it; it is not a long journey or a difficult one. From now on in every service we are going to press home to every unsaved person their need of repentance; their need of Christ."

### Sunday Morning Service

At the Sunday morning service there was a large attendance from the various churches. The one service of the week that is largely composed of church members. The Scripture was from the third chapter of Malachi and was the basis of a special message for the church; a call to the system of tithing. The text reads as follows: "Will a man rob God? Yet ye have robbed me. But say ye, 'Wherein have we robbed thee?' In tithes and offerings. Ye are cursed with a curse, for ye have robbed me, even this whole nation. Bring ye all the tithes into the storehouse that there may be meat in mine house, and prove me now herewith, saith the Lord of Hosts, if I will not open the windows of heaven and pour out upon you a blessing that there shall not be room enough to receive it." In his comments the evangelist said:

"The message that I shall bring to you this morning is one of the most important of my campaign. I feel it is so necessary and vital that it cannot be omitted. Alike essential to highest interest of both the individual Christian and the church. For right here is our greatest weakness; our failure to recognize God's right in our every day life. This is not my viewpoint; it is the word of God, which I have just read from Malachi and is directed to us this day. In a sense the church is as old as the human family; it is the medium through which God speaks to the children of men. But there are two other institutions equally as old—two pillars upon which the success of the church rests. One is the Holy day—one day in seven; the other is the Holy tithe, one dollar in ten. Look through history and you will be impressed with this fact—that God never blesses the nation that does not render holy unto him one day in seven. It is the criterion of success or failure of that nation. The success of the church and the hope of the world depends upon meeting this requirement. Not to be used as a holiday for fun and frolic; not to be spent in recreation, for recreation soon spells dissipation; God meets his children in the house dedicated to His service—nowhere else. The opposition to a proper regard for God's day comes largely from those who would make merchandise out of it. The worst traitor to the nation is the man who would spit in God's face and wipe out his holy day; and just as important, just as essential as a proper observance of one day in seven is the observance of the tithe, one dollar out of ten. It is just as binding on us who are under grace as those under the law.

### Tithing of Incomes

"There are those who would like to believe that it had passed away, but it has not. It is just as operative as ever; and just as necessary to the spiritual life of the individual and the success of the church as the observance of one day in seven. When our incomes are tithed the church is cared for—money is provided, the cause of Christ prospered. No longer will the pews be empty, the treasury low and worse than Lazarus, begging at the gate, resort to grab boxes, lotteries and the like to pay the preacher a meager salary.

"Tithing pays; God can make nine-tenths go farther than you can make ten-tenths go. He who honors God, God will honor him. You can steal from God and stack up your money, but God will come along and collect. If the Protestant churches, in my judgment, had paid to God its tithes and the gospel had been sent out over the world, this terrible world war would not have occurred. Spiritual poverty is another penalty for disregarding the tithe.

"Now, how many are there who will promise God today in the light of these truths to become tithers—will you stand?"

A large number arose to their feet. An outline of the afternoon and evening addresses will be printed in The Evening News tomorrow.

## FOURTH BEAT NOW ESTABLISHED BY LOCAL PATROL

R. A. DAUGHERTY IS PLACED  
IN CHARGE OF SOUTH  
GLENDALE SECTION

The Glendale Patrol and Fire Dispatch, of which James L. Browne and Ira J. Herbert are principals, announces that it established a fourth beat last night in the South Glendale (Tropico) district. It is bounded by the San Fernando Road, Gardena avenue, Los Feliz Road and Glendale avenue.

R. A. Daugherty, formerly with the Pacific Electric railroad, has been employed as the patrolman and with his long experience in handling people, it is expected that he will give unqualifiedly good service. He comes to the fire dispatch organization with the highest recommendations.

This makes the third residential beat to be established by the Browne-Herbert forces who report that they are meeting with good success in the venture. They also maintain a patrol of the business section and render special service for the Elks' club and others requiring a watchman for motorcars, etc.

## France Starts Troops To German Border

PARIS, May 2.—France started her military forces toward Germany today to compel payment of that country's war debt.

Recollections of the stirring days of 1914 were called up when, with pennons flying and bands playing, cavalry and artillery started for the Rhine.

The fifth cavalry division left Meaux. Cavalry batteries stationed at Lyon began the long hike. The thirteenth dragoons clattered out of Melun.

The cavalry movement was the first step in what France expected to be a great expedition into the Ruhr valley. Preparations were made for calling up the class of 1919 as soon as word comes from the supreme council in London that a final agreement has been reached. Ten trains were held in the railway yards here for the transportation of additional troops. It was believed here the allies will sign a note to Germany today demanding payment of 132 billion marks in reparations. Berlin will have until May 8 to accept the demand. Meantime, French preparations for invasion will continue. The impression prevailed that the advance will begin the moment the ultimatum expires. Premier Briand was reported to

LOCAL ELKS INVADE

GAME, 6 TO 7

WIND WHISTLES ABOUT CAST  
AND LODGEMEN FAIL TO  
PERFORM AS USUAL

Lancaster 7, Glendale Elks 6; al-  
though that's the outcome of the  
baseball game played at Lancaster  
yesterday afternoon it by no means  
tells the story of the struggle. The  
contest was played under very ad-  
verse circumstances to the Glendale  
players, but nevertheless was the  
most interesting and well played  
game of the season. Besides the  
above mentioned alibi "Slim" Hill,  
the lanky Lancaster pitcher, was at  
his best, and although he issued  
eight hits in the nine innings they  
were kept pretty well scattered.

The Lancaster ball grounds are lo-  
cated out from the town about a mile  
and occupy just one little part of  
the wide expanse of cactus-covered  
desert. The wind came whistling  
with such gusto that a bowlegged ball  
player standing in the outfield before  
the game became frightened at the  
sound made by the breezes scurrying  
through his wide-spread limbs to  
such an extent that he had to be  
left out of the lineup. It was from  
this episode that their hurler re-  
ceived an inspiration of much value,  
and whenever he found himself in a  
tight place he would promptly whis-  
tle the ball around the batter's face,  
thereby producing temporary para-  
lysis on the latter.

The afternoon's play started off  
when Mar Doll, the Elks' leadoff  
man reached first, when he caught  
one of Hill's slants in his manly  
chest. He was sacrificed down to  
second by "Chuck" Flanders, and  
scampered home on Van Osdoll's  
Texas leaguer to left. The sage  
brush bounds came back in their  
half with the tying run on hits by  
O. L. Forner and Good, their hard-  
hitting third baseman.

## Three-Base Clout

In the second stanza "Ran" Doll  
greeted "Chuck" Hill with a ter-  
rific three-base clout over the cen-  
ter fielder's head. He scored a mo-  
ment later on a hit-and-run play  
with "Molly" Malone.

Things remained at this stage un-  
til the last of the third, when Lan-  
caster forged ahead with a brace of  
runs on two clean hits and an error  
at first by Van Osdoll.  
The "see-saw" condition contin-  
ued to prevail in the first half of the  
fourth inning when Glendale started  
a rally which netted three runs. With  
one away Gabaig rambled to first af-  
ter being hit by one of "Wild Man"  
Hill's fast ones. Van Osdoll ad-  
vanced him a base on an infield hit,  
and both came home on a long two-  
bagger by Crane. Bolin brought  
Crane across the plate a moment  
later on a sacrifice fly to right field.

Glendale counted once in the  
eighth and Lancaster came back in  
their half with two, making the score  
stand 6 to 5 in favor of Glendale.  
This score stood until the final and  
fatal ninth, when a flock of hits by  
the Antelope Valleyites, coupled with  
an error by Bolin, scored two runs  
which won the game. The Glendale  
infield, particularly diminutive, with  
"Chuck" Flanders at second base,  
valiantly tried to save Bolin from  
defeat in this last inning, but when  
Flinke, Lancaster's second baseman,  
belted the pill over second with two  
down, the game was over.

"Bullet Bill" Bolin pitched his  
usual high class game of ball, but be-  
came erratic when runners were on  
the bases. As soon as he overcomes  
this one failing Bolin will be one of  
the most effective hurlers in local  
semi-pro circles.

Widow Swindled Out  
Of \$12,000, Is Claim

TOLEDO—Mrs. A. G. Krebs,  
wealthy widow of Tamaqua, Pa., told  
detectives here she had been swin-  
dled out of \$12,000 by confidence  
men whose convincing promises lur-  
ed her from Florida to Toledo, and  
successfully resorted to the old trick  
of "getting inside tips on the stock  
market."

When oak is buried in water or in  
wet sand it will last for centuries.  
Oak piles under bridges constructed  
by the Romans two thousand years  
ago have been found to be as sound  
as when they were first placed in po-  
sition.

"Serves You Right"

Joint C. E. Meeting  
Takes Place Tonight

By GLEN and DALE  
If you are a bit curious about Glen  
and Dale and their doings drop  
around to the bungalow of the First  
Presbyterian church about 7:30  
o'clock tonight. It will be a joint  
meeting of the Glendale District  
Christian Endeavor executive com-  
mittee and the general convention  
committee. A social hour and good  
time will follow reports of chairmen.

People of Glendale are awakening  
to the importance of the convention  
which is coming here June 25.  
Questions are being asked daily re-  
lative to the convocation.  
Although the convention is still  
almost two months off advance regis-  
trations have been made by 850 En-  
deavorers. Seven county and district  
unions have now reached their 100  
per cent quota, including San Luis  
Obispo county, Marin county, San  
Francisco county, Eldorado county,  
Stanislaus-Merced county, Alameda  
district and Butte county. These unions  
have been given flags which will in-  
dicate their position in the parade  
which will be held during convention  
week.

Ancient Pompeians had both pri-  
mary and general elections. Similar  
to those we have in every town and  
city each spring. They were in the  
midst of an exciting local election, it  
is indicated, when Pompeii was de-  
stroyed in 79 A. D.

Edith Lewis Is Bride  
Here Of Paul Starr

Edith Lewis, formerly of Glendale,  
and Paul Starr of Bell, California,  
were united in marriage Friday af-  
ternoon at the home of Rev. C. M.  
Calderwood, 370 Salem street. Only  
close friends of the contracting par-  
ties witnessed the ceremony, which  
was followed by a wedding luncheon  
at the home of Mrs. W. P. MacMul-  
lin, 215 North Brand boulevard.

MRS. BRYAN IN HOSPITAL  
Mrs. George H. Bryan of 1011 East  
Lomita avenue is at the Glendale  
Sanitarium and Hospital in a critical  
condition as the result of a rheumatic  
attack.

The Krupp firm of Germany has  
succeeded in perfecting a process by  
means of which fuel values can be  
recovered from cinders. The process  
utilizes the magnetic property of the  
iron compounds contained in the cin-  
ders. Approximately twenty-five  
per cent of the weight of the cinders  
is recovered.

Necessity is a good teacher, but  
they have profited by her teachings  
least who know her most.

A scientist says that man will be  
eleven feet high in 25,000,000 years  
—probably due to the tendency to  
reach for blue-sky stuff.

# CHAUTAUQUA

## Lecturers of National Prominence

Stefansson, noted explorer of the far North, who brings a remarkable illustrated lecture on "My Five Years in the Arctic"; Tom Skeyhill, Anzac soldier-poet and adventurer, just back from Russia with a great story about latest developments in Bolshevik-Land; Peter Clark Macfarlane, prominent author and contributor to leading national magazines; Hunt Cook, of the Chicago Art Institute, with two lectures on "better homes"; Father D. J. Cronin, speaking on "The Weeds and Flowers of Literature," and Burnell Ford, electrical scientist and inventor, demonstrating the marvels of electricity.

## A Big Play Production

The Keighley Broadway Players, a New York company with an all-professional cast, will present on the fifth night one of the greatest comedies of the present day, "The Servant in the House." This big farce success was first presented on Broadway by Willie Collier, achieving a record run.

## A Week of Splendid Music

Two concerts will be presented by Lieurance's Little Symphony, an orchestra created and coached by Philip Lieurance, noted American composer. At the evening concert Jane Peterson, prominent Chicago contralto, will appear as soloist. Two concerts by The Jugoslav Tamburica Orchestra, an organization from Eastern Europe. Two concerts by The Orpheus Four, official quartet of the Orpheus Club of Los Angeles and rated as one of the foremost male quartets in the country. ## An Abundance of Entertainment

The inimitable Ada Roach is coming! Her dialect stories and character sketches are among the best being presented on the platform. Ruth Freeman too is an entertainer of note. Then there is the big play production and distinct entertainment value in over half of the lectures of the week. It is an evenly balanced program. You'll like it through and through.

## In Southern California

**Pomona Theatres Remain Open**  
According to George T. Paine of 351 Ivy street, who visited Pomona yesterday, the theatres of that city are keeping open on Sunday and "passing the hat." In this way they can operate without violating the "blue law," it is said.

**Paddock Not in Special Match**  
Charles Paddock stated definitely this morning that he would not run in a special 100-yard match with Morris Kirksey and Bob Hutchinson, at Berkeley, May 14, as announced in this morning's papers.

**L. A. Seamen Take No Action**  
Crews working on six shipping board vessels now in Los Angeles harbor had taken no action today toward joining the seamen's strike. No notice of a wage cut had been received and, unless one is, the crews probably will take no action, it is said.

**Paul Stenland, acting agent here for the sailors' union, asserted that members of the organization will remain in their present positions until formal notice of a wage cut is received.**

**Opposed to German Pictures**  
First action in protest against an invasion of the United States by German-made motion pictures will be taken by the Hollywood post of the American Legion. The post, comprised almost exclusively of film workers, today is arranging a monster parade to be held here next Saturday.

**Aid of every other legion post in the city is being enlisted in the event. Mayor Snyder today was asked to sanction the demonstration. It is charged that productions sent to this country contain pro-German propaganda.**

**Lester Rotz, 28, is dead by his own hand today, presumably because he hurt a little girl.**

**Rotz' automobile collided with another car last night in Los Angeles and 8-year-old Dorothea Ogden was injured, not seriously. Rotz hurried her to a hospital. He wept when he reported the accident to the police.**

**Then Rotz went home and tearfully told his brother, Cloyd, about the mishap.**  
Two hours later Rotz fired a bullet into his brain.

An expensive automobile with a battered top and cracked paint looks like a war-torn battleship. **DOLL THE OLD BUS UP.**

**Occupational License Ordinance**  
An occupational license ordinance is now being considered by the Burbank board of trustees. As proposed plumbers would pay \$50 annually, electricians \$35, laundries \$30, and bakers \$30. Specific charges also will be made on other lines of business and a general charge of \$12 a year for all kinds of occupation not specified in the ordinance.

### Plan Pruning Demonstrations

During May the Agricultural Extension Service, co-operating with the various farm centers in deciduous fruit districts, is to hold a series of summer pruning demonstrations. The schedule in the San Fernando valley follows: May 11, 10 a. m., Owensmouth, J. C. Craig's place, 2 miles east on Sherman Way; 1:30 p. m., Zelzah, G. A. Allard's place on Regan street; May 12, 10 a. m., Lankershim, F. L. Williamson's place, 12309 El Nido street; 2 p. m., Van Nuys, W. F. Clarke's place, Van Owen and Woodman streets; May 16, 9:30 a. m., La Canada, H. W. Hall's place, Reservoir and Philadelphia streets.

### Burbank to Have Arch

C. C. Claggett, who designed and installed the three large electric signs which advertise Glendale, has prepared plans for an arch over San Fernando boulevard at Olive street in Burbank which will be one of the most novel advertisements of its kind in southern California. Part of the necessary funds already have been pledged.

### Fair to Use Orange Show Tests

The San Fernando Valley Fair, which is to be held at San Fernando September 14, 15, 16 and 17, will use the tents provided for the National Orange Show at San Bernardino. The board of directors met at Owensmouth last week and made arrangements for a site, a committee composed of M. G. Dial, E. R. Elkins and J. W. Muckley, representing the San Fernando Chamber of Commerce being in charge of this work.

### To Resurface Part of S. F. Road

The Los Angeles road department will resurface that half of the San Fernando Road which is being made impassable by the installation of a new pipe line for the Midway Gas company between Glendale and San Fernando, it is understood. It is planned to widen the roadway four feet on each side, making it thirty-two feet in width.

### Rules Regarding Use of Fire

Attention of ranchers is being called to the fact that the use of fire in clearing land between May 1 and December 1 is forbidden by Los Angeles county ordinance except under a written permit first obtained from the nearest deputy county fire warden. The use of a camp fire without someone in attendance also is prohibited. Violations are subject to fines of \$25 to \$500 or fifteen days to six months in jail or both.

### Moulders Start Work at Plant

Moulders have started work at the Empire China company plant in Burbank. The workmen were brought from the east to the Burbank factory. Plans are now being worked out by which the company expects to do its own grinding of the clay instead of having the work done by an independent concern. This will involve the erection of an additional building 180 feet in size.

### Market Company Is Organized

The American Growers' Market company has been organized by the following Owensmouth ranchers with a capital of \$10,000: George A. Grubb, George M. Bott, M. O. Walling, H. C. Troth and Maurice Beckstead.

### Two-Story Business Block

C. C. Minor plans to erect a two-story business block on fifty-foot frontage along San Fernando boulevard in Burbank. There will be three storerooms and apartments above.

### Plan Farm Bureau at Roscoe

A movement is under way to start a farm bureau at Roscoe. Four names of those interested are necessary to establish a center and W. H. Bach and Roy Collins already are interested in the move.

### Oil Companies Seeking Leases

The Gaddie Oil & Development company is busy in the Lankershim section of San Fernando valley while it is reported that other companies are endeavoring to get leases, although most of the land has already been reserved.

The Wichita National Forest commission permits no cattle that have not been dehorned to run on the reserve. Cattle with horns hook into the trees and twist and break the tops and branches of the young growth. The cattlemen are pleased to co-operate with the Forest Service in this matter.

trict shall be entitled to vote only in the precinct of which he is a resident.

In witness whereof we have set our hands hereunto this 28th day of April, 1921.

## SIXTEEN TAKEN IN CONGREGATIONAL CHURCH SUNDAY

**LORD'S SUPPER ADMINISTERED AT SERVICES; BRIEF SERMON BY REV. CALDERWOOD**

The Sacrament of the Lord's Supper was administered at the Congregational church yesterday morning and sixteen new members were received into the church. Rev. C. M. Calderwood gave a short address on "The Personal Note in Our Religion." He said in part: "The ministry of Jesus was intensely personal as well as dominantly social. To save the world at large, individuals must be saved. Jesus addressed the consciences of men. He said exactly what the person and the occasion required. He spoke directly, searchingly and faithfully. It was some time before his listeners appreciated the personal bearing of his address.

"It is the same today. Many listen a long time to the truth before they realize that they themselves are meant. We generalize God's messages and forget that they are direct and definite. When we hear something that cuts we are apt to think that it applies to some one else. We need to cry with the disciples, 'Lord, is it I?' We must shake ourselves from the tyranny of the crowd and realize our personal relation to God, to His truth and to His Christ.

Often Become Angry  
"When we realize that we are meant we often become angry and show resentment. We too often quarrel with other things when we should quarrel with ourselves.

"When we realize that we are meant by the teachings of the prophets and Jesus we should look into our lives and then repent. God knows that there are many things for which we should repent. If we can't think of any let us read Christ's words again and we will discover enough.

"Then, too, there are precious promises that are for us personally. There is a personal comfort in our religion. 'Come unto me all ye that are weary and I will give you rest.' 'The Son of Man came to seek and to save the lost.' 'Fear not, for I have redeemed thee.' 'I am thy God.' God means me when He says these things to me. Christ died for me. He made a personal contribution. There is a personal contribution that I can make. There is a personal consecration and a personal service that I can render."

## Gladys Walton Gives Real Thrill By Fight

For those who would see a woman fight, Gladys Walton in "All Dolled Up" provides some thrills heretofore unseen in film productions. Alone she literally "cleans house" with two men and another woman at the conclusion of a peppy story of a city sparrow whose borrowed plumage brought a strange and fascinating adventure.

The same big thrill is awaiting Glendale Theatre patrons again tonight, while the seventh episode of "The Son of Tarzan," Pathe News and Topics of the Day round out the bill. Madame Clement's special organ number is "La Paloma."

"Straight from Paris," with Clara Kimball Young, is tomorrow's feature.

## "Way Down East" At Glendale On May 8-9

So much has been written and said regarding D. W. Griffith's production of "Way Down East," to be seen at the Glendale Theatre, May 8 and 9, that some may confuse the fact that the spectacular features are by no means the all-important things in this great work. The ice breaks and snow storm scenes are really secondary to the vital story and theme which Mr. Griffith has expanded and elaborated in bringing this great stage success to the screen in greater force than its authors ever dreamed it might be made to appeal.

**To Vote on School Bonds**  
Electors of the Glorietta school district in Monte Vista valley will vote on May 20 to determine whether or no \$18,000 will be spent for two new sites and the building of one or more new buildings to care for the rapidly increasing population of Tujunga.

**Opportunity to Buy Park**  
For \$22,000 it is said that Eagle Rock can now purchase an entire block along Colorado boulevard for a public park. What a golden opportunity, for had Glendale purchased parks in the days when it was the size of Eagle Rock a most moot question would have been satisfactorily and economically settled.

**Signs to Attract Attention**  
Large Tujunga signs to stretch across the state highway are being planned and tomorrow night the Chamber of Commerce of that community will wrestle with the problem of raising \$200 for the purpose. Burbank also is emulating Glendale's idea of calling visitors' attention to the name of the community through which they are motoring.

**Community Theatre Meeting**  
Patrons and patronesses of the Eagle Rock's Community theatre will meet at the schoolhouse there tomorrow night and discuss the work with Gilmore Brown, director of Pasadena's Community Playhouse.

**Offers Free Geranium Plants**  
Mrs. B. M. MacDonald of the Valley View ranch in Tujunga is offering free geranium plants to her neighbors in order that the foothill homes may be more beautiful. There's a great idea for a philanthropist who has plenty of flowers—to aid others in making this the garden spot of the world.

**Bible Class to Meet in Tent**  
The Bible class of the Eagle Rock Congregational church outgrew its Sunday school quarters and is going to meet under a tent this summer. The class has a president, treasurer and secretary.

**Choral Club May Sing Here**  
The Burbank Choral club, which is making quite a name for itself as a musical organization, sang last Thursday night at the Y. M. C. A. in Los Angeles. The director is seeking to bring the club here for a concert.

**Avocados To Be Displayed**  
The avocado industry in which many Glendale people are interested will play a prominent part in the coming California Valencia Orange Show to be held at Anaheim, May 17 to 22 inclusive. A comprehensive display of the avocado direct from Tahiti will be made, it is understood.

**CHINAMEN OUTDRESS WOMEN**  
In China the men as a rule are more extravagant in dress than the women.
